Wildest Irish Pub on Earth Comes to the Westgate Center in Glendale
McFadden's Restaurant and Saloon Grand Opening June 25th, 2009

GLENDALE, AZ— The Original East Coast Party Pros, McFadden's Restaurant and Saloon, opens its second West Coast location at the Westgate City Center in Glendale, Arizona.

Already a staple in New York, Boston, Chicago, Philadelphia and Las Vegas, McFadden's Glendale will be opening its doors Thursday June 25th. McFadden's 9,000 square-foot tavern will be Glendale's newest pub-hub for crowds seeking an unpretentious party. Patrons can kick back and let loose around the 100 foot mahogany island bar, two patios, a large full service dining room and enjoy watching their favorite game on over 40 high-definition plasma TVs.

Grand Opening festivities include a VIP reception, Opening Parties hosted by 944, KISS FM, The Edge, and Tempe 12, as well as a Calendar Girl Search with celebrity guest judges including Playboy Playmate of the Year Jayde Nicole. Hold on to your shamrocks because they don't stop there! McFadden's spares no expense or sentiment in their weekend lineup- where they'll prepare to demonstrate their motto "Moderation is for Wimps", and show Glendale why the McFadden's legacy continues...

Open seven days a week, from 11 a.m. until the last shot of Jameson goes down! McFadden's beautiful Lucky Charms and jovial Ministers of Hospitality will ensure everyone has an unforgettable experience, whether they're there to watch a game, grab a great meal with friends, or simply throw back a cold one with resident DJ's Thursday through Saturday.

In addition to boasting a full bar, McFadden's Glendale will offer extensive Irish American cuisine. Signature dishes include Almost Famous Boneless Buffalo Wings, Fish and Chips, and of course Shepherd's Pie topped with air-whipped potatoes. McFadden's is perfect for private events of any size or occasion. From birthday parties to private events or after concert festivities McFadden's Saloon is your new home for an unparalleled party.

Built in 1977 by an Irishman named Steve McFadden near Times Square on 42nd and 2nd, McFadden's has grown to 12 locations nationwide. Steve's mission of providing a place for family and friends to gather and celebrate good times while enjoying great food and drinks has been the key to their success. When you combine that kind of unaffected love with great draught beer and a party atmosphere, it's no wonder that McFadden's has hosted millions of good times and special occasions.

McFadden's Restaurant and Saloon is located in the Westgate City Center, 9425 West Coyotes Blvd. For more information, or to RSVP for opening weekend call 623.872.0022 or visit www.McFaddensGlendale.com.
